

Bangkok, 27 January 2021

The Headmaster
To the parents and students of the Lycée Français International de Bangkok

Madam, Sir,

Having just received a confirmation from the Thai Ministry of Education, I am pleased to announce the resumption of face-to-face classes on Monday 1st February. All classes, AS and AES activities at the school will resume on the same day as well as the school catering and transport services.

This latest period of distance learning has shown us some fragilities in keeping the balances and that the switch to distance learning can occur anytime if the health situation was to deteriorate promptly.

In this context, I reiterate my request to all families to be vigilant about the health of their child(ren) and, at the slightest symptom, not to send their children to school. Families who have travelled to one of the risk zones between the 18th and 31st January will be kind enough to inform us and observe a period of self-quarantine at home.

At the school entrance, we will continue to apply our sanitary protocol: temperature verifying, hand washing and obligatory mask wearing.

I would remind you that, for this short two-week period of classes before the holidays, we ask all students to bring to class only things necessary for the day's work. In any case, all classroom items must be taken home for the February holidays, and the lockers at the secondary school must be emptied on the last day of class.

The digital material that has been lent to the families can be kept until the return from the February holidays.

The meetings planned (School calendar commission, specialty courses, Conseil d'École, Conseil d'Établissement) will take place and individual invitations will be sent in the next few days.

I would, of course, inform you of any new special instructions brought to our attention by the Thai authorities.

On behalf of the management team, I would like to thank you for your engagement and trust you have shown regarding the school and its administrative, pedagogical and educational teams.

Sincerely yours,
