### Parent-teacher meetings

This year, in elementary school, parents are given information about their child's progress throughout the year, alternating between individual parent-teacher meetings and the school report.

- End of November: parents meeting
- Early February: school report
- April: parents meeting
- End of June: school report

In Maternelle, parents will receive the link to the learning logbook at the beginning of February and at the end of June. Individual meetings will take place after this.

NB: the first parent-teacher meetings will take place exclusively face-to-face at the school (no Zoom).
