Parent-teacher meetings in Maternelle

The learning logbooks will be available on Wednesday 7th February. We will then organise individual meetings, at school (no meetings via Zoom), with your children's teachers (class teacher, language teachers, FLScO teacher from PS to GS).

These meetings will take place on Thursday 8th, Friday 9th, Tuesday 13th and Wednesday 14th February, depending on the availability of the teachers concerned. Each meeting lasts 20 minutes for the class teacher and 10 minutes for the language teachers. For your information, here are the proposed schedules: class teachers and FLScO, and language teachers. Registration will be open from Monday 29th to Wednesday 31st January (from 7am to 8pm).

LFIB Night

Please note the change of date: we look forward to seeing you at the LFIB Night on Saturday 16th March.

Auditions are scheduled from 11th to 23rd January from 12.15pm to 12.50pm for elementary school pupils.

NEWS

AES Open Week

The first term of the AES is coming to an end. We invite you to attend one of your child's sessions this term between 22nd and 26th January.

You need to register ([click here](#)) and choose your session(s).

The next session of the AES will start on Monday 4th March. Here is the registration timetable:

- Registration opens on Eduka from 22nd to 29th January.
- Reopening from 30th January to 2nd February for families whose session has been cancelled.
- Confirmation to families before 9th February.

It is difficult to manage groups when you cancel a registration after confirmation. If there are too many cancellations, we are forced to close the activity after confirmation, putting other families in difficulty. We would ask you not to make too many hypothetical registrations when the server opens.

The first scholarship campaign for students of French nationality for the 2024-2025 school year will be open from 2nd January to 5th February 2024 inclusive.

The forms and all the useful information can be consulted by following this link:

REMINDERS

Conseil d'École

The next Conseil d'Ecole will take place on Monday 5th February at 5.00 pm at the school.

If you have any questions or comments, please send them to the following address:

conseil.ecole.parents@lfb.ac.th

Switch off your engines!

When you park in the Maternelle car park, please switch off your engines. The classrooms are not far away, and the children in class, or the parents waiting in the reception area, do not need to breathe in the car's emissions.

The reception area has a ventilation system, so there's no need to leave your engine running to air-condition your vehicle. Think of your children and their health!

Lost & Found

On 25th and 26th January, the elementary school lost and found will be located in the lycée administration area, in front of the bus park. Pupils will be able to search for and collect their belongings when they arrive at or leave the school, on foot or by bus.
