NEWS

Language lessons cancelled on 08/03

Professional training is scheduled for all primary school language teaching staff on Friday 8th March 2024. Consequently, language lessons are cancelled on that day. Pupils will remain with the class teacher if a language lesson is scheduled for the day.

Reinforced Thai classes for CP and CE1, from 14:10 to 15:10, are also cancelled. A specific email was sent to the parents concerned before the holidays.

Re-enrolment for the start of the school year 2024

This year, students can re-register directly on Eduka until 11th March. In order to prepare for the start of the new school year, it is important to have a clear picture of the number of pupils re-enrolled as soon as possible. We therefore invite parents who are certain that their child will be attending LFIB in September 2024 to re-register their child as soon as the service opens.

If you are unsure, you can contact the headteacher to inform him of the possibility of your child leaving the school.

Finally, if you know that you will be leaving the school at the end of the school year, you can start the leaving process via Eduka.

Parent-teacher meetings

The second parent-teacher meetings for classes from CP to CM2 in the 2023-2024 school year will be held from Monday 8th to Thursday 11th April inclusive, depending on the availability of the teachers (class teacher, English teacher, reinforced Thai teacher, FLE teacher).

They take place at the school or by videoconference.

You will receive a link in March to register for the meeting.

Presentation of the language pathways

The LFIB is offering two information meetings on the language pathways available to pupils entering CP or 6ème at the start of the 2024 school year.

The meeting for parents of Grande Section will take place on Tuesday 12th March at 5.00pm by videoconference.

The meeting for CM2 parents will take place on Tuesday 2nd April at 5.15pm by videoconference.

Pattaya Orphanage

As part of their Citizenship Programme, pupils in CM1 and CM2 are taking part in a solidarity operation for the Pattaya orphanage. Swimming challenges await our pupils on 20th and 21st March. Don't hesitate to sponsor them!

Poets' Spring Festival

Printemps des Poètes takes place from 9th to 25th March 2024. This year's theme is 'Grace'. As he does every year, M. Grolet will be offering activities on this theme during reception time in the library: artistic productions, meetings with a philosophy teacher and writing workshops. An exhibition is planned for Monday 25th March for those pupils who wish to take part.

Workshops with author Gail Clarke

The Primary Language Department is organising a visit by author Gail Clarke on 25th, 26th and 27th March. Workshops in English classes will help prepare for World Book Week in May.

International Day

On 28th March, we are organising a festive day to celebrate cultural diversity. Following a presentation of a country by a parent beforehand, each class will dress up in the colours of that country and propose games and activities for the other pupils to discover the different linguistic and cultural characteristics of that country.

The day will begin with songs prepared by the maternelle pupils.

Ambassadeurs Ambassadrices En Herbe regional final

A big well done to our 5 finalist students in the "Budding Ambassadors" world educational action. They were selected at the Thailand final on 6th February ([click here](#) to see the photos on the LFIB website).

They will represent the LFIB at the regional final in Phnom Penh from 31st March to 3rd April. We wish them great success.
